

# DUAL INSULATION 2.0

**INSOLE WITH INSULATION AGAINST THE COLD AND RECYCLED MATERIAL**

COD: ACC SUCDI02

Composed of an "aluminized" film for insulation from the ground.

The ideal insole for footwear with "CI" cold protection. The presence of felt with an "aluminized" film for bottom insulation keeps the foot dry and warm. It represents a step forward both from the point of view of comfort and environmental sustainability thanks to a soft layer of recycled material.

## Insoles details

### CI-PROTECTION

Constant temperature, even in harsh weather.

### ENERGY RESTORE

The original shape is instantly regained.

### SHOCK ABSORBER
